

Sam Hughes Family Engagement Team Minutes

November 14th, 2024

Members Present: Brandy McClain, Brent Pantaleo, Theresa Barry, Evelyn Damento, Rebecca Edelman, Christopher Rodarte

1. November/December drives:

We already have collected many items for the Community Food Bank. First, items will be available to Hughes families in need. (Moving forward, we will offer food donations to our school community first). Items are available in the office. Our annual toy drive for Casa de los Ninos is about to be underway. The Heart Association fundraiser begins in January. All proceeds for this go to the Heart Association. (We do receive some sports/P.E. equipment).

2. The Resource center is open again with the clothing bank and the food bank. Courses/classes for adults/families are opening again and the options are being sent to the community via the school website, the email listserve and some hard copies for families as needed. We will continue to inform families about availability for support in the months to come.

Meeting adjourned at 4:20
